Criteria for Grant Applications

The Greater Shenandoah Foundation Unrestricted Fund is intended to be used for the general benefit of the Shenandoah area and its citizens. It is not intended to be used to benefit individuals within the community regardless of how worthy their needs are.

The Board of Directors of the Greater Shenandoah Foundation will make awards from income earned in its Unrestricted Fund.

To be eligible for a grant, you must represent a nonprofit organization or group within the greater Shenandoah area and make the application in the name of that group. The foundation board will make its awards on the basis of what projects will best serve the greatest number of citizens within the greater Shenandoah area. Grant requests will be considered quarterly on the 4th Wednesday of January, April, July and October. Grant applications must be in the foundation office one week prior to the meeting.

Attached is a list of criteria that needs to be included. Please present your grant application in type written form.

If your grant request is approved, you will be notified and the funds will be dispersed upon verification of receipts. *Also, where appropriate, the Board would like to receive confirmation pictures of items purchased or work completed.*
